CHILLED BEEF

Good beef is not necessarily frozen beef but to be sanitary, and in order that you may have tender beef without paying for tenderloin it should be thoroughly chilled in cold storage. Beef from slaughter house to table cannot possibly be tender, for good. We are offering you Australian Lamb and Niihau and Parker Ranch Beef this week that is very good, and some of the mutton in the lot is almost as sweet flavored and tender enough to suggest mint sauce.

Negligee Shirts

MEN WHO DRESS WELL are congratulating us on securing the E. & W. line of Shirts. The styles are a full season ahead of other brands and the patterns are exclusive.

Another good thing about E. & W. Shirts is that, while the quality and workmanship are superior, the prices are no higher than other standard makes.

Look at our new stock and you will at once recognize the distinctive features.
